

The Need

- Each year, over 375 000 children in Canada are affected by parental incarceration
- Despite the growing number of children affected by parental incarceration, the resources available for these forgotten children are nearly non-existent. Without support, children of incarcerated parents have an elevated risk of suffering from mental health issues, dropping out of school and becoming in conflict with the law.
- Fostering, Empowering, Advocating, Together, (FEAT) for Children is the only organization in Canada developed to provide supportive programming tailored to the unique needs of children affected by parental incarceration. Currently, FEAT supports over 500 families in Ontario through the provision of vital programming.

FEAT's Bus – A Vital Component to Supporting our Kids

- FEAT's bus is integral to supporting children and youth through our After School Program, Peer Mentorship Project and Empowerment Retreats.
- Every weekend, our bus travels with children and their caregivers from Toronto to Federal and Provincial correctional institutions in Southern Ontario to enable family visits.
- In 2019, our bus will need to be replaced. It is only with the support of our sponsors and donors, will we be able to accomplish this feat.

Walking to Make a Difference

- On Saturday October 6th, 2018, the founder of FEAT for Children, Jessica Reid will embark on a 10 day, 450 km walking marathon from Queen's Park in Toronto to arrive at Parliament Hill in Ottawa on October 15th.
- Jessica will walk an average of 45 kilometers a day with a goal to increase the awareness of children affected by parental incarceration in Canada and raise funds to purchase a new bus.
- To increase the magnitude of impact, members of the community, professionals, social service clubs, and corporations have been invited to register teams to take the mile challenge in support of the innocent children left behind.

To learn more about Feet for FEAT, how to register a team, take the mile challenge or become a sponsor, please contact Jessica Reid by phone @647-627-1171 or via email at jreid@featforchildren.org

Together we can build brighter futures
