A Journey to Make a Difference

OUR BUS

FEAT's bus is vital to the provision of our programs and enables children across the GTA to receive the support they need. Every weekend, our bus travels with children and their caregivers from Toronto to Federal and Provincial correctional institutions in Southern Ontario to enable family visits. To operate the bus, we rely on our sponsors and donations to provide free transportation for the children we support.

FEAT'S SUPPORTIVE PROGRAMS

After School Program - Offers children the opportunity to participate weekly in the arts, sports, and recreational activities, receive help with homework, and enjoy a nutritious meal.

Empowerment Retreats - Provides children and youth with the opportunity to experience the natural environment while receiving peer support, learning healthy coping strategies and building resilience.

Peer Mentorship Program - Provides at-risk youth with mentorship, academic and employment support and leadership opportunities.

Family Visitation Program - Enables children to visit their incarcerated parents on weekends.

ONE TO A FIFTY

10 DAYS AND 450 KILOMETRES

TO SUPPORT CHILDREN AFFECTED BY PARENTAL INCARCERATION IN ONTARIO

For the past years, Jessica Reid, the founder of FEAT for children, has walked from Toronto to Ottawa for children affected by parental incarceration. This year Jessica will begin the 450 km Feet for FEAT relay on Saturday, October 13th from Queen's Park in Toronto at 9 AM. Teams will support these vulnerable children by walking one of the 10 legs of 45 kms enroute to the nation's capital. Together, we will arrive at Parliament Hill in Ottawa on Monday, October 15th, 2018.

The aim of the relay is to increase the awareness of the need to support our children across the country and raise funds to provide our vital supportive programs. To increase the magnitude of impact, members of the community, social service clubs, and corporations have been invited to register teams to walk a leg of the relay, take the mile challenge or pledge their support for the innocent children left behind.

OUR KIDS NEED YOUR SUPPORT!
